Use legal and trustworthy betting platforms and avoid illegal sites or places with a risk of fraud. Also, be careful not to become addicted to gambling and do not bet excessively or try to recover losses. It is important to always approach it responsibly to enjoy healthy sports betting. 먹튀 검증

**Message:**

There are several video platforms similar to YouTube. A representative example is "Bitchute", a high-quality video and creator-centered platform where commercial content and artistic works are mainly uploaded. "Dailymotion" is a global service based in France that provides various videos similar to YouTube. "Twitch" is a platform that mainly focuses on game streaming, and emphasizes live broadcasting and communication. In addition, "Facebook Watch" provides a space where video content can be shared and consumed within Facebook. "TikTok" is a platform centered on short video content, and it is growing rapidly and various creators are actively participating. In addition, there are Chinese platforms such as "Bilibili" and "Rumble". Each platform provides similar functions to YouTube, but has its own unique characteristics and user base, providing various content consumption methods and creative opportunities.

Who is there in the United Kingdom or elsewhere to pass Judgment on the legitimacy of TCLP-UK as a political party?

Ever since the author navigated his way through the quagmire of the unwritten Constitution of the United Kingdom with its complication in domestic and foreign affairs relationship, and nearly 6 months since The Conservative Libertarian Party of the United Kingdom (TCLP-UK) formally announced its formation as a Cultural Republican institution (<https://www.theconservativelibertariansociety.com/blank?origin=notification>), all legal avenues were explored and we are none the wiser in what is permitted:

A few hours since the submission of the above-attached deposition, I checked the Verification Status of The Conservative Libertarian Publications Limited in my Stripe Account through JOIN IT's Finance/Payout and Contact Support facility, and found that there has been no change; as follows:

Portfolio rebalancing often involves careful timing. Brokerages may hesitate to sell certain investments if doing so disrupts the balance of assets, ensuring that developers near me clients maintain diversification and minimize risks associated with market volatility.

**Comments:**

I did not reply to this post in Daily Bulletin as it would constitute raising proceedings. Since I have an email from the House of Commons Petition Committee which says it will respond in due course I have the appropriate proceedings in place. I must wait for that for the Court of Appeal has not answered the question posed for a Case Number marked 'OFFICIAL' through the decision of the Duty Justices. I now have a set path to follow quite simply: one or the other will have to write to me, either the Court of Appeal with its Directions or the Petitions Committee. I will have to block out all correspondence in the website until that comes about. This is because if I start proceedings, the Court will use that information against me and dispose of the case against me, fining me for wasting time of the Court and that will also simultaneously destroy the Petition for the Court would have entered a Judicial decision.

I cannot even update this book in Libertarian Democracy or in Internet Archive/The Allurement of Reality in Review Shop, for those actions would constitute proceedings anew which the Court of Appeal will use to pass judgment on and I am 100 percent sure it will throw out the Appeal. It is not even acknowledging the question that I asked for who am I to be raising procedural questions to the Courts. They have there CPR rules they will say and it is also true in the United Kingdom as things are and have been for centuries.

If the Court makes a judicial move, I can use this Spamming material as having been terroristic and State-organised to manipulate legal proceedings against me. So all in all I do nothing.

Dear Monika at the Petitions Team

Thank you for the update.

As you are aware the special nature of my Petition required me to simultaneously ensure that the highest court of the United Kingdom dealing with civil and criminal litigation in combined proceedings had ended without any kind of judicial resolution. I had paid £432 to HMCTS as

Court Fee over several years in relation to JOOME572 of the Medway County Court and E35YM660 of the Central London County Court which together with criminal private prosecutions of the Chief Constable of Kent Police and Conservative Prime Minister at East Kent Magistrates Court left a bitter taste in the mouth and hence I appealed these issues at the Court of Appeal under its Case Reference CA-2023-000750 which started over a year and half ago, including with today's submissions as attached: ToTheCourtOfAppeal(New Post by Shantanu Panigrahi-DutyJustices issue of a Case Number marked OFFICIAL)2December 2024; this followed an early morning submission of an enquiry as attached ToBP,Sainsbury,Stripe Support,CourtOfAppealHOCPetitionsCommitteeForceControlKentPolice(Equate Plus Account information\_Frozen)2Dec2024.docx.

Neither of today's submission to the Duty Justices greeted me with an an acknowledgement.

Thinking that I should not initiate new proceedings I refrained from replying to this post in Daily Bulletin as it would constitute raising proceedings (see <https://www.knowledgeassessmentanddissemination.com/forum/general-discussion/who-is-there-in-the-united-kingdom-or-elsewhere-to-pass-judgment-on-the-legitimacy-of-tclp-uk-as-a-political-party>

<https://www.knowledgeassessmentanddissemination.com/forum/main/comment/5c665074-5fc9-4f30-a6e0-87c4da06ab7c?postId=6746d54b7da78e5437176535> )

I considered that since I have an email from the House of Commons Petition Committee which says it will respond in due course I have the appropriate proceedings in place. I must wait for that for the Court of Appeal has not answered the question posed for a Case Number marked 'OFFICIAL' through the decision of Duty Justices, a prerequisite to my Appeal. I therefore now have a set path to follow quite simply: one or the other will have to write to me, either the Court of Appeal with its Directions or the Petitions Committee on the 'Standards' issue. I will have to block out all correspondence in the website and at LinkedIn until that comes about. This is because if I start proceedings in my websites, the Court will use that information against me and dispose of the case against me, fining me for wasting time of the Court and that will also simultaneously destroy the Petition for the Court would have entered a Judicial decision on the matter. I am still hoping for a Judicial resolution but face a brick wall of silence from the Court of Appeal.

So now I said to myself that I could not even update this book in Libertarian Democracy or in Internet Archive/The Allurement of Reality in Review Shop, for those actions would constitute my initiating proceedings anew which the Court of Appeal will use to pass judgment on and I am 100 percent sure it will throw out the Appeal perversely. It is evidently not even acknowledging the question that I asked for it will hold to the line that 'who am I to be raising procedural questions to the Courts'. They have their CPR rules they will say and it is also true in the United Kingdom as things are and have been for centuries. If the Court makes a judicial move at any time in the future, I can use this Spamming material as having been terroristic and State-organised to manipulate legal proceedings against me. So all in all I do nothing and wait for your next communication to me.

Hello Slater and Gordon

1. I am puzzled as to why you have sent me this email after a years of dodging your Firm's responsibilities on a matter as linked here:

Act Now: Millions more people are now eligible to claim back their mis-sold car finance.

The latest announcement from the Regulator means that if you took out Car Finance between 2007 and 2021 then you could be due compensation.

Most car finance deals arranged through a dealer involved commission.

You could be owed thousands!

A £10K borrowing over 4 years could result in £1100 compensation.

What does this mean?

The Financial Conduct Authority (FCA) is expanding its investigation into the car finance industry, now encompassing all types of commission-based car finance deals made between 2007 and 2021.

Why choose us?

We're a reputable law firm and have vast experience in vehicle group actions which means you can trust us.

We are working hard to ensure those that have been unlawfully affected by this mis-selling, receive the compensation they deserve.

We're also operating this claim on a no win no fee basis so there is no financial risk to you.

Hello Shantanu

Get one step ahead and beat the scammers

While the festive season is a wonderful time of year, it's also when scammers are most active. Fraudsters can target anyone, anywhere, at any time. This could be online, over the phone or in person.

Take the Beat the Scammers quiz online to see how scam smart you are. Have a taster below to discover what to look out for and how to keep yourself safe.

Make money work for you

Can scammers impersonate your bank?

Answer: Yes

Fraudsters will go to any length to deceive you, even pretending to be authority figures, like your bank, HMRC, or the police. We're here to help you spot the warning signs and keep your money safe.

"You've won a festive bundle! Click this link to redeem your gift." Should you click the link?

Answer: No

If a deal sounds too good to be true, or it's an unusual request for personal information, something's not right. We're here to help you learn how to spot the red flags.

Can scammers trick you with fake parcel deliveries?

Answer: Yes

Parcel delivery scams can be tricky to spot and were the top reported scam in 2023. Be wary, especially if it's an unexpected parcel or there's a 'redelivery' payment request.

Sirs

With the timing and content of your email this afternoon and especially when taken together with all the materials exchanged by emails between Stripe and me as Director of The Conservative Libertarian Publications you have once again continued with your duplicitous and deceitful messaging that I have reported to my Doctor about as having caused me severe mental health issues to the point of being suicidal at times.

Is it because you know that the Court of Appeal will back you up with your prevarications and prejudicial dealings with me, just as you were expecting the Financial Ombudsman to back you up so that a charade was being played out until I disposed of my connections with the Ombudsman, when you have no justification whatsoever to place our account on a Restricted use basis such that TCLP-UK is hamstrung in developing into a mass membership political party in the United Kingdom. You have never once explicitly set out the reasons that our Account violates the terms of Onboarding through JOIN It, something that was an afterthought after I had processed a £10 transaction at <https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk>
